

Author Index

- Anderson Bing, L. and Lewis, L.C.
 Occurrence of the entomopathogen *Beauveria bassiana* (Balsamo) Vuillemin in different tillage regimes and in *Zea mays* L. and virulence towards *Ostrinia nubilalis* (Hübner) 147
- Baba, K.M.
 Irrigation development strategies in sub-Saharan Africa: a comparative study of traditional and modern irrigation systems in Bauchi State of Nigeria 47
- Bailey, S.W., *see* Muscutt, A.D., et al.
- Bardgett, R.D., Frankland, J.C. and Whittaker, J.B.
 The effects of agricultural management on the soil biota of some upland grasslands 25
- Bethlenfalvay, G.J., *see* Trent, J.D., et al.
- Bhuiyan, S.I., *see* Castaneda, A.R., et al.
- Boman, B.J., *see* Syvertsen, J.P., et al.
- Brouwer, J., Fussell, L.K. and Herrmann, L.
 Soil and crop growth micro-variability in the West African semi-arid tropics: a possible risk-reducing factor for subsistence farmers 229
- Camboni, S.M. and Napier, T.L.
 Factors affecting use of conservation farming practices in east central Ohio 79
- Castaneda, A.R. and Bhuiyan, S.I.
 Sediment pollution in a gravity irrigation system and its effects on rice production 195
- Davies, D.B., *see* Muscutt, A.D., et al.
- Ettema, C.H., *see* Freckman, D.W., et al.
- Fernandez-Santos, J., Zekri, S. and Herruzzo, A.C.
 On-farm costs of reducing nitrogen pollution through BMP 1
- Frankland, J.C., *see* Bardgett, R.D., et al.
- Freckman, D.W. and Ettema, C.H.
 Assessing nematode communities in agroecosystems of varying human intervention 239
- Frost, A.J., *see* Marrs, R.H., et al.
- Fujisaka, S., Moody, K. and Ingram, K.
 A descriptive study of farming practices for dry seeded rainfed lowland rice in India, Indonesia, and Myanmar 115
- Fussell, L.K., *see* Brouwer, J., et al.
- Gaston, G.G., Kolchugina, T. and Vinson, T.S.
 Potential effect of no-till management on carbon in the agricultural soils of the former Soviet Union 295
- Gavito, M.E. and Varela, L.
 Seasonal dynamics of mycorrhizal associations in maize fields under low input agriculture 275
- Geiger, S.C. and Manu, A.
 Soil surface characteristics and variability in the growth of millet in the plateau and valley region of Western Niger 203
- Gordon, A.J.
 The impact of the Hakea seed-moth *Carposina autologa* (Carposinidae) on the canopy-stored seeds of the weed *Hakea sericea* (Proteaceae) 105
